

ONIX®

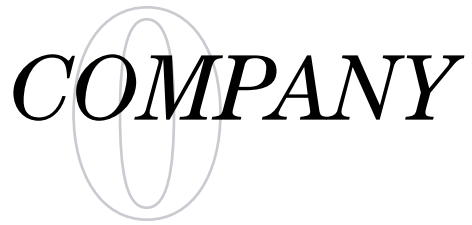

*COMPANY*

## **Imagined & made in Spain**

ONIX<sup>®</sup>, founded in 1999, is the world leading glass mosaic manufacturer thanks to its dynamic / creative philosophy and technological knowledge.

ONIX

## Presence around the world

ONIX's HQ & production facilities are based in Spain, but also has office & warehouse in Miami, Fl. to service the North American market. With presence in over 100 countries, ONIX participates in more than 10 international exhibitions every year.

## **As versatile as your ideas**

The versatility of glass mosaic tile sets it apart from other coverings or pavements with technical qualities that limit creativity. This strength, along with the great variety of mosaics in our catalogue, enables designers to create unique spaces.
